Cheer Registrar: nothing to report

Football Commissioner:

- Spring flag - greenwave program not great, if we do flag, should develop football skills rather than flag football skills. Possibly 11 v 11, 7 v 7, comparable to 6U. Teach kids to continue down the field. want to promote football skills. Much planning to go - sticking with 7 better, rather than grade do age based so same kids will play together in spring and fall.
- Try to schedule around spring sports so kids can participate. Welcome kids from other towns.
- 13U and 7U are doing an all star team - Naugatuck Dec 7th
- Off season programs - Luke wants to do some strength training. Will need to get field space. Speed and agility again - need gym space, possibly February.
- Looking for coaches' interest for next season.

- Mini helmets to order for \$26.67
